

# THREE FALLS SUMMER CAMP

**Leading the Way - *Make Camp Three Falls your choice for summer camp adventure in 2019!***

Our campers tell us that our staff, food, and program make us their “standard of comparison” among Boy Scout Summer Camps, and the assessment teams from the BSA’s National Camp Accreditation Program consistently praise our extensive staff development program, friendly atmosphere, and efficient camp organization.

Three Falls offers the advantages of a smaller camp – easy travel between campsites and program areas, small class sizes, and an excellent staff-to-camper ratio – along with a large selection of merit badges and a rich program of extracurricular activities that rivals the biggest camps.

Make this the year that YOUR unit becomes part of the Three Falls family.
