

Campership Application Policies and Procedures

NOTE: IF YOU DO NOT PARTICIPATE IN THE COUNCILS ANNUAL POPCORN AND/OR CAMP CARD SALES, YOU MAY NOT APPLY FOR A CAMPERSHIP

-  Camperships are available from the Ventura County Council for **any Ventura County Council Scout** to attend one of the camps or programs listed on the back of this form.
-  **Only one Campership** fund request will be granted per applicant per year to allow us to serve as many people as possible. The maximum amount of aid per camp or program is listed on the other side of this form.
-  **Each person requesting financial aid must fill out a separate form.**
-  A reservation for a camp or program must be made *before* this request for financial aid will be processed. Your unit leader can give you the reservation number needed for this form.
-  **Incomplete applications will be returned without processing.**
-  Camperships once awarded are not transferable to another applicant. If an applicant approved for funds does not attend the activity for which the funds were requested, the Campership is forfeited and only the initial fee will be charged to the unit. Each recipient may be asked to complete a postcard thanking Campership fund donors. This will occur at the camp or activity.
-  Turn in the application early to ensure consideration. Applications may be submitted beginning on January 1st for the summer to follow. Limited Camperships are available each year and are granted on a first-come, first served basis.
-  All **completed and signed requests** for Camperships must be submitted on this form. The **deadline for submittal is March 31, 2019**. Requests turned in after March 31, 2019 will only be considered if additional funding becomes available but must be in the council office **no later than** four weeks prior to the start of the camp or activity. Forms may be faxed or mailed to the council office (information below). It is the responsibility of the applicant to ensure that the form arrives in the council office on or before the deadline.
-  The family of the applicant will receive written notification of any decision by May 15th, but 50% of your Camp fee must be paid to your unit in advance and if awarded, the campership will be applied to the remainder of the reservation balance. ***NOTE: All Campership funding decisions made are final. All Camperships are handled via a fund transfer to your units reservation balance and no checks are mailed to recipients.***
-  Fill in all the boxes that are not shaded on the other side of this form, sign and return as soon as possible.
