## Scouts BSA Summer Camp

**Frontier Survivor** — Complete this week-long series of day hikes, plus an overnight outpost camp, to earn the coveted Frontier Survivor neckerchief.

**Mountain Biking** — Earn Cycling Merit Badge while touring the hills and canyons surrounding Lockwood Valley.

**Rendezvous at Fort Lockwood** — Visit our iconic log fort to learn Blacksmithing at our new forge and earn Metalworking merit badge. Shoot black powder rifles, throw tomahawks, crack bullwhips, and more.

**STEM** — While Rendezvous focuses on the past, our STEM program looks to the future. Launch a real model rocket. Gaze at the stars through our 8-inch Meade telescope. Learn about electricity, GPS navigation, or photography.

**Trail to First Class** — One of the best in Southern California, Pathfinders offers a week of excitement and learning for first- and second-year campers. Staffed with experienced adult scouters and Eagle Scouts who have been there and are eager to share their experience with your new scouts!

## Webelos Resident Camp

We also offer a four-day, three-night program for Webelos Scouts, including Cubs who have just finished their Bear year and will be starting Webelos in the Fall. Same great staff, same great food, with a program scaled to a younger audience.

Of course, one of the most important elements to building lasting memories at camp is the staff. Our staff is universally praised by campers as “enthusiastic... engaging... and there for the [Scouts]...” Many members of our 2020 staff are returning next year, and they look forward to providing your scouts with all the fun and camaraderie that marks a superior summer camp!
